

Task #2 Answers

1. What is the video about? (O vídeo é sobre o quê?)

It's a video about food prices in New Zealand

The video talks about a current problem in New Zealand, food prices in the major supermarket chains and how the government is acting to solve this issue.

2. How many supermarket brands are involved in this discussion? (Quantas marcas de supermercado estão envolvidas na discussão?)

There are 2 supermarket brands named in the video (FoodStuffs and Countdown)

3. What is being done to deal with this issue? (O que está sendo feito a respeito disso?)

The government wants supermarkets to sell their goods for a cheaper price

The government is forcing supermarkets to drop their prices and sell goods to other retailers

4. Is there a similar situation in your country? Why? Why not?
